

GO
AHEAD.
START
SOMETHING.

**OPEN HOUSE
NOVEMBER 15 AT 1 P.M.**

START AT MOLLOY. Here, you'll find a powerful positive energy: one that transcends an academically challenging environment fostering critical thinking and creative exploration. See it in our noted professors, and most definitely in our students. With an active campus life with progressive and inspiring ways to learn, we encourage our students to focus on their own personal goals... and get down to business.

It's no wonder our students graduate with what it takes to make a difference in the world.

GO AHEAD. START SOMETHING. Visit our campus. Meet the students. Call us at 1-888-4-MOLLOY, or visit us at molloy.edu
