

### **LGL 3040 Substantive Law and Drafting Essentials**

The student will be introduced to areas of substantive law most relevant in New York State entity practice and the documents pertinent to those areas of law. The content and meaning of legal language, independently and as part of the documents, are explored. Drafting of legal forms utilized by paralegals and legal professionals in these areas is also covered.

#### **3 Credits**

Pre- or Corequisite: [LGL 1030](#), [LGL 3010](#)
