3. Guests

- a. Jay Houlihan: Assistant Director of Public Safety
 - i. **Jay:** Please wear your ID cards!!! It increases safety!! Ways we increased safety is adding more speed bumps and putting LED lights on the stop signs.
 - ii. **Karina:** Are there any more lanyards present?
 - iii. **Jay:** In student affairs there is some more but we should have more by next week
- b. Mary Wilkerson: Lessing's General Manager
 - i. **Mary:** We are doing a survey for the cafeteria next month and a food show after your fall break from 1-4 PM. Those vendors will show us what we don't have in the cafeteria and the students will tell us what they want to see and we will add it to our menu. If you don't see something you would like to see, please let us know and we can have no problems adding it.
 - ii. **Kritika:** Can we change the method of weighing the food so students aren't paying so much?
 - iii. **Mary:** The acai and the deli stations don't get weighed and there are grab and go sandwiches that don't get weighed either.
 - iv. **Rachel:** Is there any intention on bringing the poke and ramen station back?
 - v. **Mary:** We can rotate the stations but we originally swapped it out cause sales weren't that prominent but we can bring it back if more students want.
 - vi. **Mary:** There is no way for us to guarantee a stop from people taking orders that aren't theirs. If that does happen, we would just remake the food as quickly as possible.
 - vii. **Sienna:** Are there gluten free options on the pasta station?

- viii. **Mary:** There is for the pasta station not for the pizza station but every other station has gluten free options present.
- ix. **Monica:** How do you add more money to your ID card?
- x. **Janine:** We can send the link to Bella to send to all of you so you guys have it as well
- xi. **Karl:** If there is a problem, let someone know right away and don't wait months later to address the problem. Mary is always present and reachable so any food concerns please message her.
